

IMPORTANT: Before downloading, installing, copying or using the software, read the provisions below for its legitimate use.

BY DOWNLOADING, INSTALLING, COPYING OR USING THIS SOFTWARE, YOU EXPRESS YOUR ACCEPTANCE OF THE TERMS AND CONDITIONS SET OUT BELOW.

Pressing the "Accept" button during the download, installation, copying or use of this software expresses your agreement with the terms and conditions of the End User License Agreement. If you do not agree with any of the provisions of the End User License Agreement, click the "I Do Not Accept" button, stop the process of downloading or installing software.

FURTHER USE OF THE SOFTWARE BY YOU MEANS THAT YOU READ THE END USER LICENSE AGREEMENT, UNDERSTAND ITS TERMS AND AGREE TO ACCEPT THE OBLIGATIONS DESCRIBED IN IT.

END-USER LICENSE AGREEMENT (license to use a software)

This software (including media and accompanying information materials) is transferred to you for an agreed fee on the terms of the License Agreement. You do not acquire any intellectual property rights contained in the software, with the exception of those rights that are granted to you by this License Agreement. Exclusive property copyrights to the attached copy of the software, as well as to all copies made from it, belong to and are retained by Systems LLC (Russian Federation, PSRN: 1186313093548), hereinafter referred to as the Copyright Holder.

The software is protected by the laws of the Russian Federation, the laws of the country of acquisition and international agreements on intellectual property rights.

This License Agreement is the main document confirming the legality of using the software.

1 General Provisions

- 1.1 This License Agreement is a binding legal agreement between you (an individual or legal entity that is the End User of the software) and the Right holder, regarding the software (hereinafter - the Software) that comes with this License Agreement.
- 1.2 The software is a computer program "Application for Microsoft Teams - Quote Master". The software also includes any updates and additions that may be provided directly to you or access to which may be provided by the Copyright Holder or its authorized representatives after you have acquired the initial copy of the program, if such additions are not accompanied by a separate license agreement or terms of use.
- 1.3 When you install and run the software in Microsoft Office 365 tenant, pay the fee, or start using the software in any other way that the Right holder has provided you with, you accept the terms of this License Agreement. If you do not accept the terms of this License Agreement, do not install, copy or use this software.
- 1.4 You accept all responsibility for the selection of software to achieve your goals, as well as for the installation, use and results of using the software.

2 Subject of the contract

- 2.1 The subject of this License Agreement is the transfer by the Rightholder to the End User of the rights to use the software in the territory, ways and within the time specified in this License Agreement (simple non-exclusive License).
- 2.2 All conditions specified below apply both to the software as a whole and to all its components separately, including the software supplied to you during the provision of support and / or technical support services.

3 Exclusive Copyrights

- 3.1 Exclusive property copyrights to the software (including any graphic images, photographs, texts included in the software, additional programs, as well as other copyright objects), the printed materials accompanying the software, and any copies of the software belong to the Copyright Holder.
- 3.2 Any use of the software in violation of the terms of this License Agreement is prohibited and is recognized as a violation of applicable copyright laws, and is a significant violation of this agreement, which serves as a sufficient basis for depriving you of the rights granted in relation to the software.

4 Territory

4.1 Using the software as described below is permitted without limiting the territory of use.

5 **Activation and protection**

5.1 If the software includes technical security features, you will be provided with the necessary access keys and passwords.

6 **Software Terms of Use (License Volume)**

6.1 The rights to the software transferred under this Agreement include the right to use by playing computer programs within the following limits:

6.1.1 Installation and launch in the Microsoft Office 365 tenant of the Licensee of one copy of the computer program intended for use of the computer program for its intended purpose.

6.1.2 All rights not expressly granted to you by this License Agreement are reserved by the Copyright Holder.

6.3 Using software components

6.3.1 You can use the software solely as a whole. Disconnecting the software components and using them separately on multiple devices is prohibited.

6.4 The copyright holder has the right to release software versions that have limited functionality, the terms for granting rights to use them, special purposes and other restrictions. For these software versions, clauses 9, 10.2, 12.2 of this License Agreement.

6.4.1. "Trial license" - a trial version of the software designed solely to familiarize yourself with the software's functionality and having a limited time set by the Copyright Holder, after which the software ceases to function.

6.5. You agree that the items specified in clause 6.4. The software version has limited functionality and / or limited operating time, and is intended solely for the purposes expressly specified by the Copyright Holder.

6.6. You agree not to inform any third parties about the results of the use specified in clause 6.4. software versions without the written consent of the Copyright Holder.

6.7 Software update or addition

6.7.1 If the software is designated as "upgrade" or "add-on", for any of its use you must have a valid license to use the software specified by the Copyright Holder as the software to be updated (supplement).

6.7.2 Software, designated as updating or addition, replaces (supplements) that software, which is the basis of your rights to update (addition).

6.8 Software distribution

6.8.1 Any distribution of software is prohibited. Software distribution means the provision of access to third parties to software media or software components reproduced in any form, including network and other means, as well as by sale, transfer for temporary use, lease, pledge, rental or loan.

6.8.2 You are prohibited from transferring the License Agreement or any rights to use the software to third parties either directly or indirectly, including transferring through any third party.

6.8.3. The terms of this paragraph do not apply if the rights to distribute the software are expressly provided for by a written agreement concluded by you with the Copyright Holder.

6.9 Additional terms of use

6.9.1 You are not allowed to open the technology or decompile the software, unless and only to the extent that such actions are expressly permitted by applicable law and / or a written agreement with the Copyright Holder.

6.9.2 You are prohibited from modifying the software, unless and only to the extent that such actions are explicitly permitted by applicable law or when changes to the software are made by the means included in the software package and described in the documentation of the Copyright Holder.

6.9.3 You are prohibited from accessing the information base of computer programs and building systems based on computer programs using tools and technological solutions not provided by the Copyright Holder.

6.9.4. You are prohibited from taking actions that result in the elimination or reduction of the effectiveness of hardware protection software for computers used by the Copyright Holder, including the use of software and hardware "multiplexing", tools that change the algorithm of software or hardware protection software for computers.

6.9.5. You are prohibited from restoring the source code of computer programs.

- 6.9.6. You may not copy the accompanying printed software.
- 6.9.7 You are prohibited from creating conditions for using the software by persons who are not authorized to use this software, including those working with you on the same network or multi-user system.
- 6.9.8. You are prohibited from using the software to provide services (paid or free) to third parties under this License Agreement. In these cases, it is necessary to conclude a separate agreement with the copyright holder in writing.
- 6.9.6 Software contains trade secrets and other confidential information.

7 Technical Support

- 7.1 The copyright holder or its authorized representatives may provide maintenance and technical support services for the software.
- 7.2 Maintenance and technical support is carried out on the terms agreed in a written agreement concluded by you with the Copyright Holder, or specified by the Copyright Holder on the website of the Copyright Holder, or described in the user manual or other official documentation of the Copyright Holder.
- 7.3 In the process of providing technical support services, the Copyright Holder has the right to request information from you regarding the technical characteristics of your Server, as well as information (including personal data) necessary to register you as an End User.

8 Trademarks

- 8.1 This License Agreement does not grant you any rights with respect to any trademarks or service marks owned by the Copyright Holder or its authorized representatives.

9 Reward

- 9.1 The remuneration under this License Agreement is the amount of money established by the Copyright Holder or its authorized representatives, payable in accordance with the procedure determined by them (according to the price list, written agreement or other means).

10 Duration

- 10.1 This License Agreement is considered concluded from the moment you accept its terms by the methods described in clause 1.3. of agreement.
- 10.2 Duration of the License Agreement is not limited.

11 Responsibility

- 11.1 In case of violation of the terms of this License Agreement, the Copyright Holder may demand full compensation for losses caused to him, including lost profits.

12 Limited Warranty

- 12.1 The limited warranty is the only explicit warranty you are given that replaces any other warranties. No other written or oral agreement can extend the scope of this warranty.
- 12.2 The copyright holder guarantees the functioning of the software for 30 (thirty) days from the date of purchase of the software. During this time, all claims on the quality and completeness of software delivery are accepted.
- 12.3 The software is delivered "as it is." The copyright holder does not guarantee that the software does not contain errors and typos.
- 12.4 The copyright holder does not guarantee the collaboration and / or compatibility of the software with software from other manufacturers, in particular with software released later than this software, including with new versions and / or updates of Microsoft Teams.
- 12.5 The copyright holder or any authorized representative thereof shall not be liable for any direct or indirect losses, including lost profits, loss of confidential information resulting from the use or inability to use the software, including due to possible errors or typos in the software package.
- 12.6 The copyright holder makes no warranties, express or implied, regarding the applicability of the software for any particular use.
- 12.7 The copyright holder is not responsible for the impossibility or difficulties with the use by the Licensee of a computer program related to the unavailability of Microsoft Office 365 tenant, Microsoft Azure services, as well as the operation of equipment and communication channels used to access the computer program.

- 12.8 You bear the risk of software inconsistency with your desires and needs, and also confirm that you are aware of the most important functional properties of computer programs in respect of which rights to use are provided, as well as other rules for using computer programs established by the Copyright Holder.

13 Termination of the contract

- 13.1 The Copyright Holder may terminate this License Agreement at any time without prejudice to any of its rights if you use the software in violation of the terms of this agreement and / or violation of any of the terms of this agreement.
- 13.2 You can terminate the License Agreement at any time at your discretion.
- 13.3 Upon termination of the License Agreement, you agree to terminate any use of the software, as well as uninstall the software and destroy all copies and components of the software that you have in a way that does not allow their further use.

14 Applicable Law

- 14.1 The current law of the Russian Federation applies to this agreement, and the place of litigation is defined as the Russian Federation, Samara Region, Samara.
- 14.2 No conflict of law rules or UN conventions governing the obligations arising from international sales contracts apply to this contract.
